Bacteria Lysing Bead Tubes
Product Number: 30391402

Lot Number 43137.589

Lysing Bead Tubes are tested to ensure that the product complies with standards established by OHAUS Corporation. Lysing Bead Tubes that do not meet the criteria set forth in this document are not sold by OHAUS Corporation or its affiliates/distributors.

An assessment of each Lot includes the following:

Visual Assessment: Beads are measured against visual and size standards.

Tube Weight Analysis: Lysing Bead Tubes are weighed to ensure that beads are dispensed in a predetermined mass range.

Contamination Testing: Beads are tested for the successful elimination of DNase, RNase, proteases and contamination nucleic acids.

Analysis Results:

Visual Assessment:	Passed
Tube Weight Analysis:	Passed
Contamination Testing:	Passed
